LOCAL INTELLIGENCE.

FOURTH DISTRICT COURT.

APRIL TERM, 1878 — W. S. BONNIFIELD JUDGE.

The following business was transacted Saturday:

Daniel Lyach vs. G. W. Pearce—demurrer to complaint overruled and defendant allowed ten days to answer. J. O. Fall vs. C. A. Kyle—Demurrer to complaint heard and taken under advisement.

State of Nevada vs. Patrick Egan—Motion to set aside indictment denied. Defendant pleaded not guilty, and the cause was set for trial Monday, July 22d, at 11 A. M.

Edward Hoskin made application to be admitted to citizenship, and matter was continued for further proof.

C. W. Hinkey et al vs. C. A. Lamance et al—Defendant's motion to annul temporary restraining order, granted.

In the matter of the estate and guardianship of Angelina Bullard, a minor, C. A. Nichols asked to be released from bond of administrator, J. R. Whitaker, and a citation was issued ordering said administrator to appear in Court July 18th.

Court adjourned until 10 A. M. to-day.

Released on Bail.

Mrs. M. T. Black, indicted for manslaughter, gave bail in the sum of \$2,000, the amount fixed by the Court, last Saturday evening, with N. Levy, Charles Kemler, George Berrott and M. S. Bonniield as sureties. The bonds were approved by Judge Bonniield, and defendant was released from the custody of the Sheriff.

Personal.

M. S. Bonniield has gone to Elko to attend the District court now in session at that place. Mrs. J. O. Fairbank is in town, visiting friends. J. A. Hill left for Star City to-day to get the Krom concentrator at that place in running order.

Vote of Thanks.

Hose Company No. 1, at their last regular meeting, unanimously adopted a vote of thanks to Charles Crocker, for refunding the freight on the fire bell out of his own private purse.

Indian Chiefs.

Several Indian chiefs, Putes and Shoshones, arrived here from the east and west yesterday to consult with Naches, who has not yet left for San Francisco.

The Pay Car.

The O. P. R. R. pay car went up the road last Saturday, distributing silver among the employes of the Company as it passed.

FIRE AT BATTLE MOUNTAIN.

One Half the Town in Ashes—A Woman Burned to a Cinder in Mrs. Robinson's Hotel—Elias Jones Seriously Injured.

About midnight Saturday night a fire broke out at Mrs. Robinson's hotel, Battle Mountain, and swept the entire block between Blossom's and McWilliams' stores. The origin of the fire is unknown. Some say it was the work of an incendiary; others, that it was started by somebody at the hotel to cover a dark deed. A lady named Ward, who was employed at the hotel, was burned to death, and Elias Jones of Winnemucca, who was stopping for the night at the hotel, was badly burned and narrowly escaped death, having to break the partition of the room in which he slept, and in which he was almost suffocated, with his hands. By permission of John Robins, we publish the following relative to the fire from a letter which he received last evening from his son W. W. Robins, who was employed in the Messenger office:

"Blossom's and McWilliam's stores escaped because there was no wind. I saved four cases from the Messenger office; the rest of the material burned up. A young lady, who waited in the dining room at Mrs. Robinson's hotel, perished in the flames. They are as I write gathering her charred remains. Other lives are supposed to be lost. Elias Jones broke through the wall of his room and jumped to the ground, where he was picked up senseless. Many families are homeless. Aleck Middleton lost everything but his cabinet. Blossom's stable was burned, and his adobe store damaged. The people worked hard, but if there had been any wind the whole town would have burned. As it was a whole square of buildings were burned, and at least one life lost."

Board of Commissioners.

The Board of County Commissioners transacted the following business Saturday afternoon:

Petition from citizens of Paradise valley praying for an appropriation of \$500 to assist in building a new road to connect the road leading from Quin River valley up Willow creek with that leading from Paradise valley up Byrnes' creek; laid over.

Petition from citizens of Paradise valley praying that a public highway be opened and declared a county road from N. W. corner of Township 42, North Range 40 East along said township line to N. W. corner of lot No. 4, Section 18; thence to S. E. corner of said lot; thence South along said line of lots to South line of said township; was granted, provided the land owners do not object.

The Clerk was instructed to write to the Commissioners of Washoe county in relation to Frank Smith, a pauper in the Reno hospital, and inform them that said Smith came to this county from Eureka about the 9th of last April, and lived here only six weeks, consequently Humboldt cannot be responsible for expenses incurred in keeping him.

In view of the fact that Chief Naches rendered valuable services to white settlers in the Bannock war, it was ordered that the county present him a medal.

The following additional Registry Agents were appointed: H. H. McColly, Quin River; H. G. Wingate, Big Meadows; and C. S. Wright, Sulphur mines.

The Board adjourned until the first Monday in August.

Lively Marching.

One hundred men, comprising Captain Eagan's and Smith's batteries, of the Fourth Artillery, Captain Wells' company, of the Eight Infantry, and a part of Captain Thompson's company, of the Twelfth Infantry, arrived here last evening from Camp McDermitt. They left McDermitt on Saturday morning and made the journey—over 80 miles—in 36 hours. A special train was at the depot awaiting their arrival. The men boarded the cars and were ready to start in a few minutes after their arrival, but were ordered from headquarters to remain here until this morning. They are en route to Umatilla, by way of San Francisco and Portland.

Bullion Shipped.

The Star Company, of Cherry Creek, shipped west last evening, five bars of bullion, valued at \$3,250.

BERNARD'S BATTLE.

What a Man Who was in the Fight Says—Tom Dixon's Team Sold to the Government by a White Man at Harney.

C. C. Small, who was at Shirk's ranch in Catalow Valley when the hostile Indians infested that country, arrived here yesterday. He says that in company with Peter Delore, he started to Harney, and on the way discovered the hostile camp. In endeavoring to evade the Indians they fell in with Colonel Bernard's troops and informed them of the exact locality of the hostile camp. The Indians were camped near Colonel Hardin's ranch a short distance from Warm Springs, on the west side of Stein Mountain. That night about 10 o'clock Bernard attacked the Indians and fought them until midnight. The troops were above the Indians on a ridge, and suffered very little from their fire. Next day 35 Indians were found killed, and the loss of the whites was three soldiers and one citizen killed. Among the Indian dead lay a horse which they recognized as the one which Tom Dixon rode the day he was killed. The Indians abandoned their camp in the night, leaving a number of horses, among them 25 of Pete French's band, about 60 head of cattle, and considerable sugar and coffee which they had taken from ranches in the country through which they raided.

A fine span of horses which were hitched to a wagon the day the Indians attacked Dixon's ranch, were sold to the Government at Camp Harney by a white man. Settlers who were at the post saw the horses shortly after the sale and recognized them, and had the man who sold them arrested. This is considered conclusive evidence that white men are with the Indians in the present campaign.

McDERMIT NOTES.

Wagner's Cavalry and Hasbrouck's Artillery Relieve Captain Thompson's Infantry—Indians Scouting West of the Post.

Captain Thompson's company of infantry, which has been stationed at McDermitt for over a year, are ordered to Wallula, Oregon, by way of San Francisco. A part of the company arrived her last evening, the rest with Captain Thompson will start as soon as they return to the Post from escort duty. Captain Wagner's Cavalry and Hasbrouck's Mounted Artillery remain at the Post.

The refugees from the surrounding country, who sought safety at the Post, are returning to their homes.

About 300 Indians are now receiving rations daily at the Post.

Old Winnemucca with 50 friendly Putes left last week for the Stein Mountain country. They were joined on the way by Captain Jim's band from Summit lake, numbering about 100, and they intend to reconnoitre the Stein Mountain country thoroughly and ascertain if there are any hostiles in the vicinity.

Fare Reduced.

Shepard, agent of the company at this place, that fares have been reduced to the following prices: Winnemucca to Camp McDermitt, \$15; to Silver City, \$30; to Boise City, \$35. The old rates were from Winnemucca to Silver City, \$40; to Boise City, \$50.

Preaching This Evening.

Rev. W. J. Smith, Evangelist, will preach in the M. E. Church at 8 o'clock this evening. All are invited to attend.

Liver is King.

The liver is the imperial organ of the whole human system, as it controls the life, health and happiness of man. When it is disturbed in its proper action, all kinds of ailments are the natural result. The digestion of food, the movements of the heart and blood, the action of the brain and nervous system, are all immediately connected with the workings of the liver. It has been successfully proved that Green's August Flower is unequalled in curing all persons afflicted with dyspepsia or liver complaint, and all the numerous symptoms that result from an unhealthy condition of the liver and stomach. Sample bottles to try, 10 cents. Positively sold in all towns on the Western Continent. Three doses will prove that it is just what you want.
